

ZIMTA members are encouraged to log in to the ZIMTA members only section to access, Share My Lesson Training the Training Link to access resources for themselves and their students.

Created: 14 March 2013

Members must log in to the ZIMTA website members only section using their usernames which are their own E.C numbers. Once the E.C number which is the Username is put then the member can put in their password which is called changeme. The password must be changed once someone has logged in. The 'Members Only Section' will show the online training menu which should directly lead someone to the Share My Lesson Link. ZIMTA members are encouraged to take advantage of this link to enjoy free access to training programs from ZIMTA's international cooperating partner, a teachers union, called the American Federation of Teachers (AFT).
